## **SPECIALIZED MEMORY CARE**

We are committed to providing a continuum of care for individuals with dementia, from the early stages through advanced care needs.

Our comprehensive approach allows residents to seamlessly transition between levels of care as their needs evolve, ensuring they receive consistent support and assistance every step of the way.

**Our unit features:**

**Secure & Supportive Environment**

**24/7 Specialized Dementia Care Staff**

**Individualized Care Plans**

**Cognitive Stimulation & Activities**

**Sensory Enrichment**

**Regular Family Engagement Sessions**

**Safety & Wander Prevention Measures**

**Medical Monitoring & Support**

## EXPERT STAFF

**We are proud to have a team of expert and caring staff trained specifically in dementia care.**

These professionals are dedicated to providing personalized support, tailored to the individual needs and preferences of each resident.

## FAMILY INVOLVEMENT

We believe in the importance of family involvement in dementia care. Regular communication and family engagement sessions are integral parts of our approach to ensure a holistic support system.

## SENSORY STIMULATION

Our secure environment is thoughtfully designed to incorporate sensory elements that promote a sense of calmness and familiarity.

# A HOLISTIC APPROACH TO WELL-BEING

We understand the importance of maintaining a sense of purpose and fulfillment in the lives of our residents. That's why we offer a variety of life enrichment programs tailored to the interests and abilities of individuals with dementia.

From gardening clubs to reminiscence therapy, our programs are designed to spark joy, stimulate memories, and promote a sense of accomplishment and connection. We also offer holistic therapies such as music, art and pet therapy.

*Your loved ones are in capable and caring hands here at Pine View.*
